Tandi:

This is my response to the complaint against me. I have never nor would I make racial remarks during an election. I do admit I did make some inappropriate comments which now I understand as an election judge which I do willingly and gladly some comments on Facebook were uncalled for, I will gladly try to remove them if I can. That day was a bad day and yes I said some things that were wrong. Everyone says things that later they regret so I ask please do not remove me from a position that I love with all of my heart. Please look back at the last several elections like 2003 or so to now with no complaints so I appeal to Dr. Garcia and other commissioners please do not remove me. I have never rejected an election. My sincere apologies.

I do have character witnesses

Jason Hix 214-334-3338

Tandi I did call the number just now 2 times. Call 1 a lady hung up in my face. To be fair I called from my home phone.

As per the Texas Election Code the Party has the right to replace an individual up to the 20th Day before an Election. They complied with the code and therefore the Alternate must be allowed to work. Please allow for the additional staff, this is my consent to the additional person.

Thank you,

Tandi
